

Hi everyone,

Please see below the trains UNITE are organising from the North West.

Fwd from NW Region of UNITE

NORTH WEST TRANSPORT MARCH FOR THE ALTERNATIVE - 26 MARCH 2011

Dear Colleague,

As you know we have chartered three trains and additional seats on scheduled trains to enable us to get members down to London.

Details of the trains are as follows:-

Charter Trains

Liverpool (536 seats) - stopping at Runcorn and Crewe
Manchester (439 seats) - stopping at Stockport and Macclesfield
Preston (250 seats) - stopping at Wigan and Warrington Bank Quay

Scheduled Trains (additional seats)

Manchester (120 seats) - stopping at Stockport, Macclesfield and Stoke

The specific times will be advised when tickets are supplied. The only information we have currently is that the charter trains will arrive in London no later than 11:00 hrs and depart around 18:00 hrs.

As I am sure you can appreciate we are expecting these trains to be well over-subscribed and therefore it is imperative that you advise us of your intention to attend as soon as possible and certainly no later than **Friday 4 February**. We would then hope to be in a position to confirm the allocation of seats by Friday 11 February.

If we are over-subscribed for tickets, we will then endeavour to see what additional transport facilities are available and I would advise that at this moment in time that could possibly be coaches. We would then contact those people who were unsuccessful in obtaining a train ticket to advise them of any availability on the appropriate coaches.

In closing I would ask that you contact the following co-ordinators to reserve your seat indicating Branch and Station preference.
