27th February 2011

Dear Colleagues,

Re: Preston International Workers Memorial Day

This is the 6th year of organising a Workers Memorial Day event in Preston and it grows from strength to strength each year.

This year the Commemoration and Campaign will be on **Saturday 30th April, 2011, starting on Preston Flag market from 11.30am.**

Without donations from those who support this event it would be much more difficult to organise so once again this year we are asking for donations and support. The event starts on Preston flag market where we have a minutes silence at 12 noon followed by a sort service, songs and a speech on the theme of Remember the Dead and Fight for the Living.

We then march through Preston with wreaths and banners to the Lune Street monument where we lay our wreaths and say a few words for those 2 million workers worldwide, who have been killed at work.

If you want to come along on the day and lay a wreath then either bring one along with you, or request one as part of your donation for us to order. Wreaths last year cost £25.

Also if you know of anyone who has lost someone close, who would like to speak on the day, then please ask them to contact us.

After this we go to Meadow Street Labour club for a buffet lunch and a drink. Everyone is welcome to join us at this event.

We look forward to seeing you on the day. Once again thank you sincerely for your support.

Yours Fraternally and in Comradeship,

Andy Birchall
